## Change for Sunday Services

There will be a change in the procedure for wearing masks for future Sunday services beginning this Sunday, June 28th. In an effort to make sitting in church more comfortable, you may remove your mask while sitting. As a kindness to others, we ask all to abide by the following procedures:

- Wear your mask when entering the building and until you are seated.
- You may remove your mask once you are seated.
- Please put your mask on before standing up and leaving the building at the end of the service.

We want to thank the ushers for their service to those attending and would ask all who attend to cooperate with them. We continue to pray for you all and look forward to the time when we can all worship together again.
