**THANK YOU NOTES** Dear friends at Faith Community Church, Eric and I want to thank all of you for your years of faithful, generous support of our ministry in Ukraine. We are one year removed from our lives there, and we look back with such gratitude to the Lord for granting us such a sweet 12 years of ministry there. He always met our every need, and you played a huge role in that. Your welcoming spirits and tender, thoughtful care for your missionaries—especially during times of crisis—beautifully display your love for Jesus and for His Church. Thank you! With joy, Josie Oldenburg

We would like to thank our dear Faith Community Church family who showered Valentyna Chernova and us with love, support, cards, messages, flowers and continuous prayers. We are grateful for the presence and help of all first responders who took part in caring for Valentyna the day she fell outside the church. Thank you Linda Maxwell & Susan Cook for being first on the scene, Nancy & Felicia for being "first aid angels" and Pastor John for praying with Valentyna and giving us assistance and sound advice. Thank you Pastor Mike and Pastor John as well as Peggy and Channing Greene for visiting with Valentyna at the hospital and praying with her. Thank you to everyone who contacted us with generous offers of help. We are blessed to be a part of such a wonderful family of God who loves and cares so much for each member. We give glory to our Heavenly Father and our Lord Jesus Christ for each one of you here at Faith Community. You are faithful servants of the Lord and blessings to us. In Jesus, John and Tanya Krestian and Valentyna Chernova

# Adult Sunday School

## **Old Testament Survey Part 2**

Teacher: Jim Hart

Room: 152A (Christian Ed Building)

The Old Testament is a history of redemption, showing the outworking of God's purpose in saving men through His Son, the Lord Jesus Christ. It shouts, "He is coming; He is coming!" In part 1 we looked at the books that make up the Law and the History. Join us as in part 2, we will examine the books of poetry and the prophets. It is always a joy to open the Bible and see what God would have us know and apply to our Christian walk.

## **Redeeming Science**

Teacher: Geoffrey Crawley

Room: 001A (Basement)

Our society's current concept of science will be examined to enable Christians to help others understand how it relates to God's truth and His revelation through the Bible along with common misunderstandings.

## **Great Characters of the Bible**

Teacher: Steve Wright

Room: 152B (Christian Ed Building)

One of the ways God chose to teach His spiritual principles is through the successes and failures of His people. We will look at people who were not all that different from us. They experienced struggles, heartaches, successes, and failures. They battled fear, doubt, and worry. But they also give testimony to God's mighty hand moving through the ages, establishing His will through the lives of people like you and me. By studying and discussing these people and connecting them to our culture and current events, we will see how the Holy Spirit equips and empowers us for greater service.
