### Sermon On The Mount (BEGINNING SUNDAY, SEPTEMBER 10<sup>TH</sup>)

Teacher: Channing Greene

Room: 001A (Basement)

The longest of Jesus' five sermons, it is also probably one of the most quoted, least read and least studied of them. We will be studying it in the light of the three developmental questions: What does it say? What does it mean? So what? (application). Is this OT theology, not for today? OT theology, with application for today? Idealist, for the future kingdom? Idealist, to the point of driving us to Christ for salvation? Kingdom theology, for the future and for us today as kingdom citizens? "Already and not yet".
