WHAT LOVE IS: The Letters of 1, 2, 3 John, Women's Study

Teacher: Terri Welday ~ Room: 001A (Basement)

What Love Is is written by Kelly Minter to encourage followers of Jesus to remain faithful to the truth. Believers are challenged to look at contrasting themes such as walking in the light instead of darkness, truth versus lies and deception, loving God more than loving the world, and the meaning of true fellowship and community rather than shallowness. This study reveals not only the heart of John but also the heart of Jesus.

MARRIED COUPLES CLASS

Teachers: Andy & Theresa Lynch ~ Room: 207 (CE Building 2nd Floor)

We will use the book *Crazy Love* by Francis Chan. Are you hungry for an authentic faith that addresses the problems of our world with tangible, radical solutions? God is calling you to a passionate love relationship with Himself. The answer to religious complacency isn't working harder at a list of do's and don'ts; the answer is falling in love with God. And once you encounter His love, you will never be the same. When you're wildly in love with someone, it changes everything. Call/text Andy (302-632-8731) or Theresa Lynch (302-242-8585) for information.

DISCUSSION & FELLOWSHIP; Book: Love Does by Bob Goff HS Graduates through age 25

Facilitators: Hannah Andrews, Aaron Crawley ~ Room: 208 (CE Bld. 2nd Floor) When *Love Does*, life gets interesting. Each day turns into a hilarious, whimsical, meaningful chance that makes faith simple and real. Join us for discussion and fellowship as we strive to encourage one another to follow Jesus in the here and now. For single High School grads through age 25 only.

AGENTS OF CHANGE

Teachers: Mark Eckels & Chad Burns ~ Room: 209 (CE Building 2nd Floor)

We will be continuing our discussion through C.S. Lewis' book *Mere Christianity*. We invite men who are willing to be challenged and desire to share in open, God-centered fellowship.

THE GOSPEL OF JOHN, THE GOSPEL OF BELIEF

Teacher: Pastor Russ Jeandell ~ Room 150 (CE Building 1st Floor)

The Gospel according to John is the most theological of the four Gospels as it presents Christ as the divine Son of God. In the first half, John recalls seven miracles that were proof that Christ is God. During the second half John recalls Christ's theological teaching regarding His relationship with God the Father. Christ was about to be crucified and had many things to tell His disciples to prepare them for life after His crucifixion. Join us as we study the "Upper Room Discourse," witness the crucifixion and understand that these things have been written so that you may believe that Jesus is the Christ, the Son of God, and that believing you may have life in His name.

BIBLE DIFFICULTIES

Teacher: Jim Hart ~ Room: 152A (CE Building 1st Floor)

When Bible critics ask, "How can you believe the Bible when it is full of errors?" What do you say? What do you make of the difficult areas in the Bible - those puzzling passages that make you stop and scratch your head? The seeming contradictions and inconsistencies of Scripture actually have sound explanations. Come join us for solid Bible study and good fellowship.

PAUL: A BIOGRAPHY

Man for all moments and his radical messianic eschatology.

Teacher: Mike Corti ~ Room: 152B (CE Building 1st Floor)

Paul, the most quoted teacher of the early church, after his road to Damascus experience. The place where he saw the light and received his commission from the Lord himself is also one of the most misunderstood apostles. We know him namely for his writings to congregations and individuals, but little is known about his life before the Damascus road experience and afterwards. Few have ventured to understand what made him "tick" and what the real nature of his message was. If you come to this class keep an open mind to receive and understand what the Scriptures say or imply about Paul and what Paul says about himself. This will be more of a spiritual/psychological biography. (As someone has said, biography involves thinking into the minds of people who did not think the way we do) while at the same time not forgetting his everyday life. Some call this genre of biographical Pauline theology, Paulology. Come let us reason together. Isaiah 1:18a
