Animals that Defy Evolution

January 20th

The Marvels within the Human Body

For the first time in the history of mankind,
God is allowing us to see His creation
as no other generation has been able to see it.

Through the use of technology,
this three-week series will reveal the
power of God in the creation of the universe,
the intelligence of God in the
creation of animals that defy evolution
and the wisdom of God in the
creation of the human body.

INCLEMENT WEATHER POLICY FOR FCC

If there is a weather emergency declared by the State of Delaware (Level 1, 2 or 3), all services and activities will be cancelled during the emergency.

For Sunday services, the decision will be posted on the church website, www.fccde.org and answering machine 302.697.1673 by 8:00 PM on Saturday.

If a storm happens Saturday night, the decision will be made as soon as possible and posted on the website and answering machine.

There will be times when the church is open, but your area may not be suitable for travel. We will trust you to make the right decision concerning travel during inclement weather.

For weekday activities:
when Caesar Rodney School District cancels and/or dismisses early, all activities will be cancelled.

Adult Sunday School at FCC, 9:45 AM

NEW CLASSES BEGIN ON DECEMBER 2ND

ROMANS

Teacher: Ken Spatz ~ Room: 152B (CE Building) Join us as we study the book of Romans.

HEBREWS

Teacher: Pastor Russ Jeandell ~ Room 150 (CE Building)

The letter to the Hebrews is a stirring apologetic for the superiority of Christ. Enjoy fellowship with others as we discover how faith in Christ impacts life today.

A SURVEY OF BIBLE DOCTRINE

Teacher: Gary Issacs ~ Room: 152A (CE Building)

Studying through the book “A Survey of Bible Doctrine,” by Charles Ryrie.

WHAT LOVE IS: The Letters of 1, 2, 3 John, Women’s Study

Teacher: Terri Welday ~ Room: 001A (Basement)

Continuing the study of “What Love Is” written by Kelly Minter to encourage followers of Jesus to remain faithful to the truth. Believers are challenged to look at contrasting themes such as walking in the light instead of darkness, truth versus lies and deception, loving God more than loving the world, and the meaning of true fellowship and community rather than shallowness. This study reveals not only the heart of John but also the heart of Jesus.

MARRIED COUPLES CLASS

Teachers: Andy & Theresa Lynch ~ Room: 207 (CE Building)

We'll work through the book based on Ephesians "Love & Respect: The Love She Most Desires; The Respect He Desperately Needs" by Dr. Emerson Eggerichs. The Bible has been saying it for ages - cracking the communication code between husband and wife involves understanding one thing: that unconditional respect is as powerful for him as unconditional love is for her. It's the secret to marriage that every couple seeks, and yet few couples ever find. Call/text Andy (302-632-8731) or Theresa Lynch (302-242-8585) for information.

COLLEGE AGE TO 25

Facilitators: Hannah Andrews, Aaron Crawley ~ Room: 208 (CE Building)

We will use the book: “Love Does” by Bob Goff. When Love Does, life gets interesting. Each day turns into a hilarious, whimsical, meaningful chance that makes faith simple and real. Join us for discussion & fellowship as we strive to encourage one another to follow Jesus in the here and now.

AGENTS OF CHANGE

Teachers: Mark Eckels & Chad Burns ~ Room: 209 (CE Building)

We will be continuing our discussion through C.S Lewis's book “Mere Christianity.” We welcome men who enjoy active and thoughtful discussion, who also are willing to be challenged; and those who want to bless and be blessed.
